Internship Completion Certificate

This certifies that **Hishmat Rai**, residing at Sukkur, Sindh Pakistan, has successfully completed a six-week internship program as Frontend Developer at FasTech Systems (Private) Limited. The internship took place from Sep 1st, 2023, to Oct 13, 2023.

During the internship, **Hishmat Rai** demonstrated exceptional dedication, enthusiasm, and commitment to acquiring new skills and applying them in a professional work environment. They actively participated in various projects, tasks, and assignments, contributing significantly to the organization's overall success.

Throughout their internship, **Hishmat Rai** displayed strong technical proficiency in software engineering principles, programming languages, and software development methodologies. They quickly grasped new concepts, adapted to changing requirements, and collaborated effectively with their team members.

We extend our best wishes to **Hishmat Rai** for continued success in their career as a Software Engineer and express our gratitude for their valuable contributions to our team.

Sincerely,

Muhammad Fahad Shahzad

Director

FasTech Systems
